Pakistan ke tamam logon ko “Eid Mubarak”

Eid is the most joyful holiday of the year in Pakistan, and it reminds me of the New Year season in Japan. On new year in Japan, families and relatives gather to spend and celebrate the holidays together, as the way it is during the Eid season in Pakistan. The new year in Japan and the Eid in Pakistan share the common value of family reunion and wishing good health and happiness for our family and friends.

On behalf of the people of Japan, I would like to wish “Eid Mubarak” to all the people in Pakistan.

Bahoot Shukria
